

## OPEN HEAVEN 29 JANUARY 2020

### WEDNESDAY CRUSH THAT CRUSH 2

**MEMORISE:** For by means of a whorish woman a man is brought to a piece of bread: and the adulteress will hunt for the precious life (Proverbs 6:26)

**PROVERBS 6:23-29 (KJV)**

Today, I will be focusing on the married. It is said that many married people are still having crushes with persons apart from their spouses.

If there is any fellow aside from your spouse you are admiring unduly, you must see such a person as the devil and get rid of them immediately.

One of my sons once told me that he was always excited to resume in the office every Monday because he would get to see his secretary again. I told him to fire her immediately. Nothing and no one is worth your marriage.

What is a married woman doing on the phone with another man for countless minutes?

Why would married man be spending so much time with another man's wife? Why would you prefer to discuss intimate issues with your 'friend' of the opposite sex instead of your God-given spouse? Oh, you may say

*“I am not doing anything with the fellow; we are just friends.”*

**This is exactly where it starts from. The devil knows you are a Christian and would not fall for someone just like that.**

So, he makes you become good friends with the fellow and before you know it, you would have fallen. May you not fall for any strategy of the devil, in the mighty name of Jesus. If you have any friend that you talk to more than your spouse, break that friendship now. **Proverbs 5:18** has this to say: **“Let thy fountain be blessed: and rejoice with the wife of thy youth.”**

Spend more time with your spouse and make him/her your confidant. Exchange compliments. The reason many people have crushes outside their marriage is mostly due to a distance between the couple.

They no longer communicate as they used to. When they talk, it is only on serious issues about the children or other family needs, instead of talking/gusting about just anything as they used to in the early days of their marriage.

They no longer go out to fun places or take walks together except they are going for family functions. If there is no distance between yourself and your spouse, no crush can come between you. .No one should be closer to you or know more about you than your spouse.

## **PRAYER POINTS**

Almighty God, you are the ruler above all I worship and exalt your majesty

Lion of Israel, thank you for this wonderful day and grace to be among the living, thank you Jesus!

Father let my life show evidence that you have not forsaken me, give me testimony over my long awaited heart desires

Father, take away far from me, anything that will turn my heart away from you, to go and serve strange gods, in Jesus' name.

Father, let every spirit of disobedience, rebellion and self-will, in my life be consumed by your fire, in Jesus' name.

(Philippians 4:6)

(John 14:13-14; 15:16)

(1 Thessalonians 5:18).
